CONSULTING & PROJECT MANAGEMENT TO DEVELOP
AND LAUNCH "FRIENDS OF HENRY AND SCOUT" '14
North Texas Community Foundation

Project Partners, in cooperation with the North Texas Community Foundation and the City of Fort Worth Animal Care & Control department, designed and developed a "Friends of Henry and Scout" giving program, created to attract much-needed, ongoing financial support for the city's animal care initiatives. Provided the creative and fundraising concept, the logo, copywriting, webpage design consultation, creation of the fundraising tools, database management, a "First Friends" lead gift approach, and an implementation plan. Friends of Henry and Scout launched at the grand opening of the medical treatment ward with hundreds of "First Friends" giving or pledging almost \$64,000.

"Extraordinary work. You are an awesome partner. We simply consider you part of our team. Thank you."
