Fort Worth Sister Cities International

Delivering a big impact in an increasingly smaller world.

Fort Worth Sister Cities International, a 501(c)(3) nonprofit, is the only organization dedicated solely to promoting Fort Worth globally and enriching our community through international education, exchange and commerce. We provide a world of opportunities for our city leaders, citizens, educators, students and business allies.

As the 16th largest city in the United States – and one of the fastest-growing – Fort Worth must expand its global perspective to sustain success. Fostering international relationships, fostering new business connections and promoting tourism and cultural understanding are vital to seizing opportunities and overcoming challenges in this global era.

Every city larger than Fort Worth has a Sister Cities program – and none are more active or effective than ours. We manage the City of Fort Worth's eight sister city relationships around the world – from Nagasaki, Japan, to Toluca, Mexico, we:

- coordinate internationally recognized inbound and outbound exchange programs;
- provide essential instruction for protocol and diplomacy;
- produce unparalleled youth and educator programs; and
- conduct trade missions to foster economic development and mutual respect.

In an increasingly smaller world, Fort Worth Sister Cities plays a huge role in enhancing the image of our city abroad – helping to improve the lives of our citizens and enhance global opportunities for all.

Funding and in-kind support from the City of Fort Worth play a key role in our mission, but most of our work is made possible through the support of our Members Circle.

YOUR TAX DEDUCTIBLE LEAD GIFT WILL:

- Encourage others to support our mission.
- Honor 30 years of service to Fort Worth.
- Enhance Fort Worth's position as an international city.
- Help produce the Mayor's International Dinner, the Annual Meeting, and the Anniversary Global Race and be recognized at each event at your Members Circle level.
- Be recognized at your Members Circle level in print and electronic materials all year.
- Align with a powerful, thriving global and local network of those most committed to our mission.
- Undergird our work to promote Fort Worth globally and enrich our community through international education, exchange, and commerce.
- Promote peace and prosperity at home and abroad.

Additional Benefits Include:

AIDS OUTREACH CENTER

Print and Electronic Collateral to Advance Your Cause

Mission: To serve people living with or at risk for HIV with dignity and respect.

Vision: In our community, people living with HIV receive quality care, and new infections are rare.

AOC began in 1986 in response to the HIV/AIDS epidemic among gay males as an all-volunteer organization in order to provide support to those dying from the disease. In just two years, the demand for services from AOC resulted in the hiring of its first two paid staff members and support quickly grew. Today, AOC has more than 30 staff members dedicated to providing 10 services aimed at preventing the spread of HIV, bringing those newly diagnosed into treatment, and improving the lives of those infected or affected by HIV.

AOC provides support services to more than 1,600 individuals and their families across all races, ethnicities, genders, ages, and sexual identities. AOC is currently the only non-profit organization that offers a continuum of support services to the HIV/AIDS Tarrant County and several rural counties.

Hope Walk 2015 benefiting AIDS Outreach Center

Why Walk?

- After 30+ years, there is still no cure for HIV. HIV testing is important for prevention and treatment because approximately 25% of those infected with HIV do not know it.
- Every 9 to 10 minutes someone in the United States is infected with HIV.
- AIDS remains the fifth leading cause of death among people of ages 25-44 in the United States. Texas Department of Health Services reports that by the end of 2010 more than 66,000 Texans are living with AIDS and more than 17,000 do not know that they are infected.
- More than 4,200 people in greater Tarrant County are living with AIDS. AOC serves half of these individuals.
- There is no cure for HIV. Thanks to advancements in treatment and medication people are living longer. However, that means great costs and challenges to the economic health of our community as long-term survival is a very complex process, not solely dependent on medications. This translates to an increase demand of AOC services.
- AOC serves nearly 4,000 people living with or at risk for HIV. Our case load has increased by more than 30% since 2009.
- The top five assessed client needs in Fort Worth are: 1) Food Bank, 2) Case Management, 3) Dental Care, 4) HIV Medical Services, and 5) Transportation; AOC services and programs include all five areas.

How to Register

Go to www.aoc.org/walk and sign up.

- Name your team.
- Create your team page.
- Send the link to others to join your team or donate.
- Email your address book and invite others to join your team or donate.

Fill out the registration form on the brochure and send it with your registration fee to:
 AOC at 400 North Beach Street,
 Ste.100, Fort Worth, TX 76111

Please contact **Krist Willey** at **817-916-9256** or **info@aoc.org** with any questions or to have a staff member come and talk to your group about AOC.

Help for TODAY Hope for TOMORROW

Build Your Team

Once you have registered and named your team:

- 1) Build your team page at www.aoc.org/walk.
- 2) Get your friends, family, coworkers, etc. involved so they can either join the team or donate to your team. You can:
 - a. Email the team webpage link
 - b. Make phone calls
 - c. Send letters
 - d. Hand out brochures
 - e. Post information and team sign-up on a bulletin board at work

Hope Walk 2015 benefiting AIDS Outreach Center

Why Walk?

- After 30+ years, there is still no cure for HIV. HIV testing is important for prevention and treatment because approximately 25% of those infected with HIV do not know it.
- Every 9 to 10 minutes someone in the United States is infected with HIV.
- AIDS remains the fifth leading cause of death among people of ages 25-44 in the United States. Texas Department of Health Services reports that by the end of 2010 more than 66,000 Texans are living with AIDS and more than 17,000 do not know that they are infected.
- More than 4,200 people in greater Tarrant County are living with AIDS. AOC serves half of these individuals.
- There is no cure for HIV. Thanks to advancements in treatment and medication people are living longer. However, that means great costs and challenges to the economic health of our community as long-term survival is a very complex process, not solely dependent on medications. This translates to an increase demand of AOC services.
- AOC serves nearly 4,000 people living with or at risk for HIV. Our case load has increased by more than 30% since 2009.
- The top five assessed client needs in Fort Worth are: 1) Food Bank, 2) Case Management, 3) Dental Care, 4) HIV Medical Services, and 5) Transportation; AOC services and programs include all five areas.

AOC's goal is to have 50 teams raise \$500 each. For example, a team of 10 should raise \$50 per member of the team. It's simple. Just ask 5 people for \$10!

Raise Funds

- Set a goal and make sure others know what that goal is.
- Formulate a letter to send out via USPS and/or email. Ask those who cannot join your team to support you and your efforts to help fight AIDS.
- For every donation received, ask if the donor's company, as well as your own, matches donations. Turn in the matching funds request form with your donation and the forthcoming match will count towards your goal!
- Beyond matching donations, ask your company to help by allowing you to "Sell" tickets to a Casual Friday.
- Host a dinner party and ask guests to donate the amount they would have paid at a restaurant.
- Host a bake sale and ask family and friends to show off their baking skills!
- Hold a fundraiser with a local Independent Distributor of your favorite products.
- Keep a "spare change" jar on the corner of your desk. Little things add up!
- Hold a "penny race". Place a jug in each area/department for a determined period of time. Each penny counts TOWARDS your total. Each piece of silver will count AGAINST your total. The team member with the most positive points gets to claim all monies for their Walk collection.
- Put an "advertisement" on your voicemail, in your email signature or post a bulletin on your Facebook page.
- Solicit from merchants you frequent, your doctor or dentist, or from members of your religious organization.
- Ask one person each day to donate \$5.

Most important - just ask!

Calling All Loved Ones

AOC welcomes all children and pets to join in the fun and sun (hopefully!!!)

Kids Korner

- Face Painting
- Arts & Crafts
- Clowns
- Balloons
- And more!

Pooch Parade

- Water for keeping our friends hydrated
- Pooch registration is \$10
- AOC Pooch Bandana
- Prize for the most dressed up pooch.

Something to Remember ...
 Pets must be leashed at all times
 Owners must clean up after their loved ones.

Hope Walk 2015 benefiting AIDS Outreach Center

Print and Electronic Collateral to Advance Your Cause

Make
the Season a little
BRIGHTER
for your child's teacher!

Give a gift that is truly meaningful! Donate to the HEB ISD Education Foundation in honor of the teachers and staff members who are helping to make your child's future bright.

Instructions: Go online to hebisd.edu/educationfoundation and give a gift of \$10, \$25, or \$50 this holiday season. Your gift and the selected teacher or staff member will be recognized all year long through the Foundation's "Superintendent's Circle of Giving". Your child will also receive a certificate to customize and a gourmet cookie from Gail's Cookies and Candies to give to their teacher in recognition of this gift. (Sample on right.)

The mission of the HEB ISD Education Foundation, now celebrating 20 years of service to HEB ISD, is to raise and award private funds and community resources to benefit the HEB ISD's commitment to excellence in education. Through our annual "Empowered to Excel" grant program, the Foundation has invested more than \$643,850 in HEB ISD campuses and classrooms. Your generous gift helps to empower our educators, enrich the educational experience for all, and truly make a difference in the lives of our students and staff. *Thank you.*

Jason's Story

When most little boys in the 2nd grade were riding their bikes and playing ball with their friends, Jason was struggling just to stand. His body crouched over and muscles tight, cerebral palsy had taken its ugly control over his 8 year old frame. Diagnosed when he was two, Jason had already been dealing with the effects of this disease for six years. And if that wasn't trying enough, even the very treatment that was supposed to give him relief, was failing him.

After countless physical therapy sessions in his referred clinic with no progress, his therapist dismissed him and his case, telling Jason's family he would never walk and there was nothing more they could do. At the end of their rope, they took one more chance. Enter Victory Therapy Center, Suzanne Sessums and Chanel, the 15-yr old mare and former show horse.

In just two months of equine therapy, Jason was standing. In four months, he was taking his first unassisted steps. Ever. Now, the child who was told by outside physical therapy that he would NEVER walk, is walking. And not only is he walking, he is thriving. Jason continues to improve both physically and emotionally with every session at Victory Therapy Center. "He just lights up when he's at VTC," says his mother, Heather. His father, Danny, adds, "VTC is the only place where he can be himself. He feels like a normal kid here."

Indeed, Victory Therapy Center is a very special place. But Jason's story is not unique. We know that horses have the ability to change lives. Chanel and Jason are just one of many success stories at Victory. Please help us bring more successes to life! Join us today by becoming a member of our Victory Circle of Support. Your gift will provide hope and healing to disabled and disadvantaged children just like Jason. But don't take our word for it. Just look at the huge smile on his face.

Please join us as a Lead Gift Member of our Victory Circle of Support. Email or fax your pledge, or mail your gift payment to:

Arlington Independent School District Education Foundation Board of Directors

Volunteer leaders, dedicated to serving the students of the Arlington ISD by fulfilling extraordinary educational needs and initiatives.

The Arlington ISD Education Foundation is a 501(c)(3) organization, supportive of, yet separate from, the Arlington Independent School District. A team of community and corporate leaders, educators and alumni serve, without compensation, on the Foundation's Board of Directors as advocates, advisors, and strategists. They work tirelessly within our community to raise and award the funds dedicated to extraordinary educational needs and initiatives for our classrooms. Consider joining them by volunteering to work on a committee or task force.

For more information about the Arlington ISD Education Foundation and the volunteer and giving opportunities, please contact the Foundation office at 817.459.7265 or email llace@aisd.net.

THE ROBERT W. DECKER DEVELOPMENTAL PEDIATRICS DEPARTMENT

Every child should have the opportunity to reach their full potential. Some children need a special guide and assistance to make that possible. Child Study Center is uniquely designed to provide children with complex developmental and behavioral disabilities the highest quality diagnosis and education, to help them achieve their full potential.

The journey starts here.

The Robert W. Decker Developmental Pediatrics Department provides expert diagnosis and subspecialty medical care to children who have a full range of complex developmental disabilities and associated disorders. Neurodevelopmental and Developmental Behavioral pediatricians evaluate each child according to his or her unique needs. The diagnostic process involves physical examination, observation, and possible developmental or medical testing. Most children are followed and treated by Child Study Center physicians throughout childhood.

"The doctors at the Child Study Center have addressed their physical ailment and impairment, provided poignant counseling and have given us the educational tools we need to be better parents and a stronger family." Mike Gwilliam

Joyce Elizabeth Mauk, M.D.
CEO/Medical Director
Board Certified in Pediatrics and Neurodevelopmental Pediatrics
Sheila Morris Ulf Chair in Developmental Pediatrics
Immediate Past President Texas Pediatric Society
Distinguished Consultant Cook Children's Physician Network

to be continued

THE JANE JUSTIN SCHOOL

Our mission: The Jane Justin School, in partnership with families and the community, fosters the knowledge and life skills necessary for our students to achieve productive and meaningful lives while respecting and embracing the individuality of each child. To achieve this mission, the Jane Justin School responds to the changing needs of our students and their families with compassion and educational excellence.

Our vision: One day, each of our students may return to a traditional educational setting with the skills needed to be successful in that setting.

Our students: The Jane Justin School enrolls students between the ages of 3 and 13 with developmental and learning disabilities and related behavioral disorders.

to be continued

APPLIED BEHAVIOR ANALYSIS DEPARTMENT

Applied Behavior Analysis Department (ABA) provides behavior analytic services to children with developmental disabilities. Supervised by Board Certified Behavior Analysts (BCBA), intense therapy treatment recommendations are based on scientifically tested behavioral principles and procedures. ABA also involves continuous evaluation of treatment progress and clinical decision-making based on each child. ABA is the only treatment approach with rigorous scientific evidence to support its effectiveness as both comprehensive and focused treatment for people with autism spectrum disorders.

"Before Joel came to the Child Study Center, we rarely got to hear his sweet voice. He is now a talkative 11-year-old who has made significant progress. We are thankful for the Center's commitment and endless energy – it has been transformational for our family." Paul C.

Duy D. Le, BCBA
Director of Applied Behavior Analysis and Education
Retreat Family Chair in Applied Behavior Analysis

Decker Developmental Pediatrics Department provides expert diagnosis and subspecialty medical care to children who have a full range of complex developmental disabilities and associated disorders. Neurodevelopmental and Developmental Behavioral pediatricians evaluate each child according to his or her unique needs. The diagnostic process involves physical examination, observation, and possible developmental or medical testing. Most children are followed and treated by Child Study Center physicians throughout childhood.

"The doctors at the Child Study Center have addressed their physical ailment and impairment, provided poignant counseling and have given us the educational tools we need to be better parents and a stronger family." Mike Gwilliam

THE JANE JUSTIN SCHOOL

Our mission: The Jane Justin School, in partnership with families and the community, fosters the knowledge and life skills necessary for our students to achieve productive and meaningful lives while respecting and embracing the individuality of each child. To achieve this mission, the Jane Justin School responds to the changing needs of our students and their families with compassion and educational excellence.

Our vision: One day, each of our students may return to a traditional educational setting with the skills needed to be successful in that setting.

Our students: The Jane Justin School enrolls students between the ages of 3 and 13 with developmental and learning disabilities and related behavioral disorders.

to be continued

APPLIED BEHAVIOR ANALYSIS DEPARTMENT

Applied Behavior Analysis Department (ABA) provides behavior analytic services to children with developmental disabilities. Supervised by Board Certified Behavior Analysts (BCBA), intense therapy treatment recommendations are based on scientifically tested behavioral principles and procedures. ABA also involves continuous evaluation of treatment progress and clinical decision-making based on each child. ABA is the only treatment approach with rigorous scientific evidence to support its effectiveness as both comprehensive and focused treatment for people with autism spectrum disorders.

"Before Joel came to the Child Study Center, we rarely got to hear his sweet voice. He is now a talkative 11-year-old who has made significant progress. We are thankful for the Center's commitment and endless energy – it has been transformational for our family." Paul C.

Duy D. Le, BCBA
Director of Applied Behavior Analysis and Education
Retreat Family Chair in Applied Behavior Analysis

THE ROBERT W. DECKER DEVELOPMENTAL PEDIATRICS DEPARTMENT

Every child should have the opportunity to reach their full potential. Some children need a special guide and assistance to make that possible. Child Study Center is uniquely designed to provide children with complex developmental and behavioral disabilities the highest quality diagnosis and education, to help them achieve their full potential.

The journey starts here.

*Learn About
Cassata
Luncheon*

Wednesday,
October 25, 2017
11:30 p.m.
(program starts
at noon)

Please join our advisory council, faculty and students to hear more about what makes Cassata Catholic High School such a transformative experience.

Cassata Catholic High School, 1400 Hemphill Street,
RSVP to **Trinette Robichaux** at (817) 926-9460
or trobichau@cassatahs.org by October 17th.
LUNCH PROVIDED BY JOE T. GARCIA'S RESTAURANT

SISTER BONAVENTURE AWARD RECIPIENT
Stephen Breen Memorial Foundation

The annual Sister Bonaventure Award honors individuals and organizations who have supported Cassata Catholic's students with the dedication that Sister Bonaventure showed when co-founding and leading the school. Our 2018 recipient, the Stephen Breen Memorial Foundation, embodies the generosity and love for Catholic education that both Sister Bonaventure and its namesake, Stephen, so strongly believed in. Stephen was 15 when he passed away from a rare form of cancer, but his wishes to support other families dealing with cancer and students in need of financial assistance for their Catholic education live on today through the work of his foundation. To date, more than 40 Cassata Catholic students have received desperately needed scholarships to support their education, giving them a pathway to success.

NOCHE DE GRACIAS (Night of Thanks) is an annual fundraising event supporting Cassata Catholic High School. This event has been graciously hosted by Jody and Lanny Lancarte at Joe T. Garcia's Restaurant for more than 20 years.

As Cassata's only fundraising event each year, Noche raises approximately 10% of its annual budget from this event. Proceeds provide critical funds to supplement tuition for students in need, improve academic programs, and provide much-needed technology and curriculum updates.

Your Support Advances Our Mission

Cassata is a coeducational Catholic high school with a nurturing staff that provides a rigorous curriculum for students who desire a unique, customized environment that prepares them for college and their chosen field. Cassata's open enrollment, self-paced learning and flexible schedule enables students of all backgrounds to raise their education level, complete their secondary education, and become healthy, independent, and productive citizens.

THE RAINWATER PRIZE CALL FOR NOMINATIONS

Call for Nominations:
The Rainwater Prize

The Rainwater Prize for Outstanding Innovation in Neurodegenerative Research and The Rainwater Prize for Innovative Early-Career Scientists

The Rainwater Prize Program was designed with a goal of increasing awareness of critical gaps in neurodegenerative research, attracting and retaining researchers to work on tauopathies and rewarding step-wise scientific achievements that can lead to effective treatments for patients.

Visit the website below or scan this code for more.

Nominate here:
www.rainwaterprize.org
by June 30th, 2021

Now accepting both self and non-self-nominations.

 THE RAINWATER PRIZE
For Advances in Neurodegenerative Disease Research

ABOUT THE PRIZES

The Rainwater Prize for Outstanding Innovation in Neurodegenerative Research

This prize recognizes investigator(s) whose work is considered a significant contribution to our understanding of Tau-related diseases. Nominees will be considered through either a self or non-self-nomination process for published, peer-reviewed tau-related research. The nominations are open for all researchers, from all countries, and research institutional affiliations. Awardees will be chosen by a committee of international scientific leaders from a wide range of fields and backgrounds. The awardee will be chosen based on their scientific contributions, leadership, mentorship, and overall contributions to the scientific community.

This award will consist of a \$250K prize to be used for non-profit purposes.

The Rainwater Prize for Innovative Early-Career Scientists

This prize is intended to reward outstanding achievements of a scientist either as a first author or senior author on published neurodegenerative disease research findings. This prize aims to support exceptionally productive scientists who are in the early formative stages of their academic career (within 10 years of PI appointment) and who plan to make a long-term career commitment to research aligned with the mission areas of the Rainwater Charitable Foundation.

This award will consist of a \$150K prize to be used for non-profit purposes.

30TH ANNIVERSARY RAINWATER TAU LEADERSHIP FELLOWS

Applications Now Open for Post-Doc and Graduate Students

Open to early-career post-doc and graduate scientists in the neurodegenerative field

Defeating neurodegenerative disease will require long-term effort. Through the 30th Anniversary Rainwater Tau Leadership Fellows Program, the Rainwater Charitable Foundation is making a significant investment in the scientific and career development of the next generation of Tau researchers.

The Tau Leadership Fellows application:

- Will prioritize post-doc and graduate students pursuing a PhD or MD/PhD in the neurodegenerative disease research field with an emphasis on tauopathy research.
- Seeks applicants who are both emerging leaders in scientific discovery and have a demonstrated commitment to community engagement and growth of the next generation of leaders in research and beyond.
- Tau Fellows will be evaluated based on both their research goals and progress as well as their leadership, mentorship, community engagement and civic impact outside of the laboratory.
- Each Tau Fellowship award will be \$10,000, and the funds may only be used for the purchase of technology, books, fees and travel expenses to attend courses and/or scientific conferences that foster their awareness and continued scientific discovery in tauopathy research.
- Applications are available on-line only at <https://rainwatercharitablefoundation.org/medical-research> and must be submitted by July 15, 2021.

Go to <https://rainwatercharitablefoundation.org/medical-research> to learn more or scan this QR code.

CELEBRATING OUR 30th 1991 2021
RAINWATER
Tau Leadership Fellows

About the Rainwater Charitable Foundation's Medical Research Program
The Rainwater Charitable Foundation (RCF) was created in the early 1990s by renowned private equity investor and philanthropist, Richard E. Rainwater. RCF supports a range of programs in K-12 education, medical research, and other worthy causes. To deliver on its mission to accelerate the development of new diagnostics and treatments for tau-related neurodegenerative disorders, the Rainwater Charitable Foundation's Medical Research team manages the Tau Consortium and the Rainwater Prize Program. With more than \$145 million invested to date, the Rainwater Foundation has helped to advance eight treatments into human trials.
For more information, please visit www.rainwatercharitablefoundation.org.

Hill School is a private, non-profit, college-preparatory school established in 1973 that serves students with learning differences in grades K-12. We provide our students with explicit, innovative instruction in a small classroom setting to target learning challenges and maximize the strengths of our students. We guide and coach our students both academically and socially so that they are able to go out into the world as confident, successful young people.

“Aidan came from an environment where everyone focused on how he was different, what he couldn’t do. This year, Hill School focuses on what he CAN do and what he will be able to do given the support of his teachers, staff, and classmates. I realize that the staff and the teachers are at Hill because they love the beautiful opportunity for success that is inside each one of these little individuals.”

—Nicole Randolph, Aidan’s Mom

the Innovative Teacher Grant
he Education Foundation

Once again, the Foundation was a major sponsor of the Golden Gala, celebrating the educators in our district and the Teachers of the Year. Fulfilling our mission to support the educational excellence of Birdville ISD, the Foundation participated in Discover Birdville and Birdville Reads. These community programs showcase why BIRD shines and is ranked as a top school district in Tarrant County and Texas.

As we look forward to the future, we will continue our commitment to attract new donors, administer the Innovative Teacher Grants, and grow the Foundation's investment in our students and staff.

Thank you for being a part of our success. Together, we make a difference in the lives of our students, teachers, and families in Birdville ISD.

Jimmy Grant

In 2016, the Plano ISD community approved the design and construction of a multi-use, cross disciplinary performance and exhibition center as part of the bond package. With the completion of this center, the District can provide spaces with size, capability, and quality needed to support all of Plano ISD's fine arts disciplines and talented students. It will also provide an attractive gathering space for the entire Plano community.

The Robbie & Lynore Robinson Fine Arts Center, named in memory of Dr. George "Robbie" S. Robinson, Jr. and his wife Lynore, is set to open formally in the fall of 2021.

Designed by: **BORA** (ARCHITECTURE & INTERIOR) | In partnership with: **Schuler Shook** (THEATRICAL CONSULTANTS) and **JaffeHolden** (ACOUSTICAL DESIGNERS)

PERKINS + WILL | Groundbreaking on the facility was April, 2018 by **MCCARTHY**

Conveniently located at 1800 Alma Drive in Plano across from Academy High School, the Robbie & Lynore Fine Arts Center can accommodate the more than 325 performances, rehearsals, and events scheduled each year through Plano ISD's fine arts program.

Additionally, the Center will be available for public and corporate use, including trainings, conferences, receptions, and other events, making this facility a significant asset not only to Plano ISD, but the entire Plano community.

1800 Alma Drive I Plano, Texas 75075

PLAYING YOUR PART

If you believe in the life-affirming experiences that fine arts provide in the lives of our students and community, please play your part through one of our naming opportunities or Founding Patron levels.
