Many thanks to our sponsoring host, First Refuge Ministries.

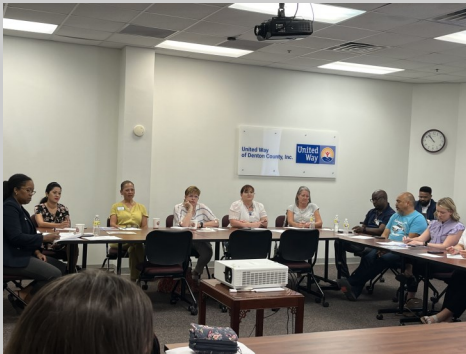

BOYS & GIRLS CLUBS
A MISSION IN MOTION FOR
DENTON COUNTY

DENTON COUNTY EXPANSION OUTREACH '22

*Boys and Girls Clubs of Greater Tarrant
County*

After conducting initial feasibility and exploration activities to determine existing youth development programming needs of the Denton County community, the Boys and Girls Clubs of Greater Tarrant County (BGCCTC) approached Project Partners for help with their "Mission in Motion for Denton County" initiative. Following visits with key stakeholders, the organization's leadership felt that a more in-depth exploration was warranted and invited Project Partners to spearhead the effort. To ensure that input was captured throughout the large and diverse county, Project Partners organized and facilitated five *Community Conversations*, one in each County Precinct (four total) and one specifically targeting nonprofit social service providers. Events were organized in partnership with key stakeholders in each area, including churches and County Commissioners, helping our team to connect directly with families who shared their needs and experiences related to a variety of subjects ranging from afterschool care to mental health resources. Our team gathered data from parents and service providers, then compiled a full report of the findings from the conversations, adding additional research and analysis, and delivered it to BGCCTC so that the findings could inform next steps, including program location, funding proposals, and future advocacy in Denton County.

"You all did a masterful job of organizing the five events and facilitating the community conversations with key stakeholders across the county, and the resulting summary report is excellent! Thank you."

Daphne Barlow Stigliano, Chief Executive Officer & President
Boys & Girls Clubs of Greater Tarrant County

PROJECT PROFILE

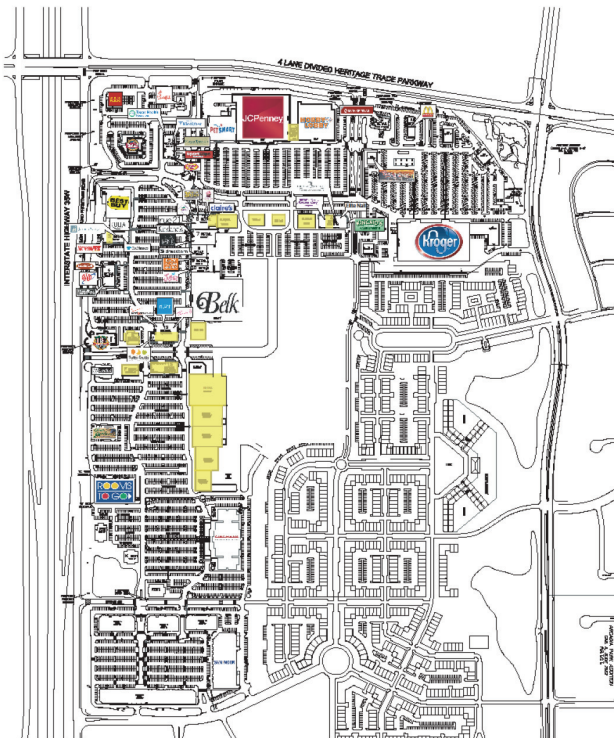

Alliance Town Center Project

benefiting the Boys & Girls Clubs of Greater Fort Worth

A fall, family-oriented destination shopping day at Alliance Town Center to raise awareness and community engagement in North Fort Worth.

Boys and Girls Club of Greater Fort Worth • 3218 East Belknap Street • Fort Worth, Texas 76111 • 817.834.4711
