BOARD WORK SESSION '19 *Dementia Friendly Fort Worth (DFFW)*

When the staff and board of directors of Dementia Friendly Fort Worth (DFFW) were planning for a board retreat to focus on mission, the program of work to achieve that mission, and the needed funding to support that work, they called on Project Partners for consulting and facilitating services. DFFW's mission is to educate all sectors of our community about dementia; to assist them in becoming dementia friendly; and to support and care for those living with dementia and their care partners. Our hats are off to this ministry partner of First United Methodist Church Fort Worth.

"I can't thank you enough for the work you put into the planning and execution of the DFFW board retreat. It was absolutely what we needed in launching our direction moving forward."

Pam Brandon, President/Founder of AGE-u-cate Training Institute and Board Member of Dementia Friendly Fort Worth (DFFW)
