LOGISTICS COORDINATION AND EVENT MANAGEMENT '18
Friends of the Fort Worth Nature Center & Refuge

Perfect weather and breathtaking views greeted each guest of the Friends of the Fort Worth Nature Center (FONC) at their inaugural Sunset Event, co-chaired by George Bristol and Marty Leonard. Honoring Ralph Duggins, Chairman of the Texas Parks and Wildlife Commission, the event raised community awareness and \$125,000 to help preserve, protect and conserve the Fort Worth Nature Center & Refuge for future generations. A \$200,000 Recreational Trails Grant from the Texas Parks and Wildlife was announced - the first grant to Fort Worth in many years. We were so privileged to work again with Executive Director, Haily Summerford, and her board during this important time in the life of FONC.

“Project Partners provided the focus, expertise, and all-hands-on-deck that we needed for this important event. It would not have been as successful without them.”
