EVENT COORDINATION '19
Texas A&M University School of Law

Working within the marketing department, Project Partners served as the event coordinator to help plan and execute branded Texas A&M University School of Law events. Our work included the development, management, and execution of event plans and timelines, agendas, marketing and outreach, budgets, logistics, and vendor management. Following the success of four months of work together, TAMU School of Law extended the duration of our partnership for an additional three months. We first connected with Eryane Hill during our work with Fort Worth ISD, then Unity One Credit Union. We'll follow her anywhere!

“I just wanted you to know that it has been a joy working with Project Partners. You all are attentive, genuine, and professional. Thank you!”

Eryane Gee Hill, Director of Marketing and Communications
