CAPITAL CAMPAIGN FUNDRAISING READINESS '22-'23; GRANT WRITING AND GRANT SUBMITTAL SERVICES '23 *Tarrant County Coalition for Peace and Justice*

Tarrant County Coalition for Peace and Justice (TCCPJ) engaged Project Partners, Inc. from September 1, 2022, to June 30, 2023, to provide professional consulting and project management in support of TCCPJ's planned capital campaign for The Mr. Fred Rouse Memorial. With our assistance, TCCPJ established capital campaign readiness, including developing a campaign committee, case for support, working campaign budget, prospective donor list, gift range chart, donor recognition plan, and gift acceptance policies. We provided one-on-one and group training to capital campaign committee members on fundraising and gift solicitation, and directly assisted with individual donor engagement events and meetings with foundations during the project period.

A second, month-long assignment allowed us to write and submit several of the first tailored grant applications for the campaign.

“Corinne has been an invaluable asset to this team and has prepared us for our capital campaign to get The Mr. Fred Rouse Memorial completed and has also helped us in so many other areas of the organization.

Corinne, you have done an awesome job and have helped put this organization on the right path. Thank you for your passion and commitment in making TCCPJ a better organization as a whole.”
