STRATEGIC PLANNING CONSULTING AND FACILITATION '19 *Tarrant Literacy Coalition*

When the Tarrant Literacy Coalition attracted support from the North Texas Community Foundation via a Toolbox Grant, they turned to Project Partners for assistance. Our work together focused on strategic planning and helped lead the board and Executive Director through a vital process at an important time in the life of the organization.

“We appreciate the time, effort, and good advice you and your team have provided. Now, we (our executive director and our board members) will act on initiatives discovered in our process.”

Daniel J. “Red” Goldstein, Board Chair
Tarrant Literacy Coalition

“Our collaboration with Project Partners was wonderful and has been instrumental as we press onward with our strategic planning initiatives. Thank you!”

Wes Young, MLS, Executive Director
Tarrant Literacy Coalition
